NORMANDY CHANGES YOU FOREVER

Stephen J. Watson
President and CEO,
The National WWII Museum

Dear World Traveler,

The story of D-Day and the Allied invasion of Normandy have been at the heart of this Museum since we first opened our doors on June 6, 2000, and while our mission has expanded to cover the entire American experience in World War II, we still hold our Normandy travel programs in special regard—and consider them the very best in the market.

Drawing on our historical expertise and extensive archival collection, the Museum's highly regarded D-Day tours take visitors back to June 6, 1944, through a memorable journey from Pegasus Bridge and Sainte-Mère-Église to Omaha Beach and Pointe du Hoc. Along the way, you'll learn the timeless stories of those who sacrificed so much to pull off the greatest amphibious attack in history and ultimately secure the freedom we enjoy today.

Led by expert battlefield guides along with local tour managers, our Normandy travel programs offer an exclusive experience that incorporates pieces from the Museum's oral history and artifact collections into presentations that truly bring history to life. After planning hundreds of trips to Normandy throughout the years, we've forged lasting friendships with the locals, maintained partnerships with hand-selected, centrally-located hotels and restaurants, and uncovered countless little-known stories of those who fought to liberate Europe.

I invite you to take this journey with The National WWII Museum to honor those who served and to pass their stories onto future generations.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Watson".

LEARN AS YOU EXPLORE

“My husband and I enjoyed every aspect of our tour. [The guide and tour manager] were superb guides, always friendly and extremely informative. We loved the hotel and fell in love with Bayeux. We thought the tour was beautifully paced; we rarely felt rushed. Participating in our private ceremony on June 6th with the beautiful bouquet was incredibly moving, something we’ll never forget.”

– Judy P., St. Louis, MO

“The guide and tour manager made this tour fantastically enjoyable, educational, and comfortable. They went beyond the call of duty, handling every challenge with easy and professionalism. The battlefield guide is terrifically knowledgeable and a great communicator. Willing to respond to all questions and comments from the group. Two real professionals. Great representatives of the WWII Museum.”

– Henry L., Metairie, LA

“We had been to Normandy twice before, and this was by far our best experience. The Museum took us to three new places we had not seen before, and [the tour manager and guide] made them come to life. Great experience.”

– Doug H., Marietta, GA

“The best thing about WWII Museum tours as compared to other tour companies is that all participants share the same interest and passion about our history. This strong focus keeps everyone pointed in the same direction. This is my fourth tour, and it speaks volumes about where I want to spend my money. I can’t wait for my next trip wherever that may be.”

– Drew L., Winston-Salem, NC

STAND WHERE HISTORY WAS MADE

For more than two and a half years the Allies planned and gathered their military strength to launch the decisive amphibious invasion of northern France and strike a mortal blow against the Third Reich. In anticipation, Adolf Hitler stockpiled reserve units in the Atlantic Wall defenses across the French coastlines, determined to drive the Allied forces back into the sea when the invasion was finally launched. There would be no second chance for the Allies: The fate of the continent hangs upon this decisive day.

In the early minutes of June 6, 1944, Allied paratroopers and gliders descended from the night sky to wrest control of key bridges and roadways from the German Nazis. Behind them in the darkness of early morning, an initial force of over 130,000 servicemen from the Allied nations crossed a choppy English Channel aboard an armada of more than 5,000 ships. Their destination was Normandy, D-day had arrived.

LIEUTENANT JOHN MARR 1918 – 2015

Company G, 507th Parachute Infantry
Regiment, 82nd Airborne Division

Colonel John Marr was born in Missouri in May 1918. He was drafted into the Army and entered service in June 1941. When he became aware of a new, specialized unit called the paratroopers, which would give him twice his monthly pay, Marr decided to join up. Assigned to Company G of the 507th Parachute Infantry Regiment, he was dropped behind enemy lines on June 6, 1944, with the 82nd Airborne Division. Lt. Marr saw action almost immediately near Sainte-Mère-Église, where he was involved in what is considered the costliest small-unit action in United States Army history: the Battle of La Fièvre.

After fighting in Normandy, Marr was put in command of Company B of the 507th during the Battle of the Bulge, and continued to lead the company as it spearheaded Operation Varsity, the crossing of the Rhine River, on March 24, 1945.

PRIVATE HAROLD "HAL" BAUMGARTEN 1925 – 2016

116th Regiment, 29th Infantry Division

Harold "Hal" Baumgarten was born in New York City in March 1925. When he was just 18 years old, he was drafted into the US Army, was shipped overseas to England, and assigned to the 116th Infantry Regiment of the 29th Infantry Division.

On the morning of June 6, 1944, Baumgarten landed in front of the Vierville-sur-Mer draw at the Dog Green Sector of Omaha Beach, known to history as "Bloody Omaha." Of the 30 men on his landing craft, he was one of only two survivors. After the war, the multi-decorated veteran earned his MD and practiced medicine for over 40 years.

He became a renowned speaker and internationally recognized historian who wrote two books on D-Day, including *Eyewitness on Omaha Beach: A Story about D-Day*, June 6, 1944.

DAY 2: BRITISH SECTORS - PEGASUS BRIDGE / GOLD, JUNO & SWORD BEACHES / ARROMANCHES

Today's tour of Normandy begins where the first shots of the invasion were fired by British glider troops at the crucial Pegasus Bridge. Guests learn about Major John Howard and his men of the "Ox and Bucks" and how they were able to secure and hold the bridge. The drives along the British and Canadian sectors become the backdrop for the stories of landings that took place to the east of the American assaults. A stop at Juno Beach will highlight the Canadians who overcame strong winds, heavily-mined landing sectors, and rough seas to make impressive gains inland on D-Day. Arrive at Arromanches, and discover the remains of a Mulberry Harbor. Your guide offers insight into this great feat of engineering and ingenuity.

Following free time for lunch and exploration in the village, a trip up the commanding bluff culminates with a viewing of Cinema Circulaire 360 and a visit to the German gun battery at Longues-sur-Mer. Enjoy free time this evening to explore Bayeux and enjoy dinner at one of the many cafés and restaurants serving traditional fare.

Accommodations: Hôtel d'Argouges (B)

DAY 3: US AIRBORNE & UTAH BEACH

Travel along rural lanes, past hedgerows, and over causeways to La Fièvre, where the 82nd Airborne fought off four days of attacks from German troops trying to retake this strategic bridge. During today's drive, both the battlefield guide and the Museum's exclusive oral history collection offer personal stories from the men who fought on the frontlines. On arrival in Sainte-Mère-Église, the famous crossroads town where American paratroopers landed during the predawn hours of D-Day, tour the Musée Airborne and visit the church made famous in the film *The Longest Day*. After an included lunch, continue this afternoon to Brécourt Manor, where Dick Winters and some of his men from "Easy Company" launched the assault on German guns portrayed in the book and miniseries *Band of Brothers*. The day's touring concludes with a visit to the Utah Beach Museum, which includes the story of the exemplary leadership of General Teddy Roosevelt, Jr., during the landings. Enjoy another free evening at leisure in Bayeux.

This morning's tour is devoted to the picturesque town of Bayeux, beginning with a viewing of the Bayeux Tapestry—a 230-foot-long embroidered chronicle of William the Conqueror's cross-channel invasion of England in 1066. Continue to the iconic skyline feature of Bayeux and the medieval center of the town, the Bayeux Cathedral, where a guided tour will bring to life the construction of the cathedral from the crypt to the spires. Following free time for an independent lunch, journey to Caen to tour Mémorial de Caen, a museum that places the battles of Normandy within the international context of World War II.

Head out for a morning visit to Pointe du Hoc, where the Army Rangers faced tough odds coming ashore before scaling the imposing 100-foot cliff. After visiting Omaha Beach, enjoy an included group lunch. The afternoon is devoted to the Normandy American Cemetery, where more than 9,000 Americans are laid to rest in the ground they helped liberate. Guests will be given time to walk the grounds, visit the small museum, and remember the sacrifices made here. Reflect on the day's touring during dinner with the group this evening.

DAY 6: FALAISE GAP

This morning, bid farewell to Normandy and return to Paris. Focusing on the concluding battles of the Normandy Campaign, the first stop is in Falaise, which lends its name to the Falaise Pocket, where the Allies began a move to encircle the Germans. Traveling south from the city, traverse the infamous Corridor of Death, where the awful scenes of the routed Germany army were on display for several months as dead bodies and wreckage covered the landscape. Memorial de Montormel on Hill 262, where the Poles held off a desperate German counterattack, commemorates the closing of the pocket and offers an incredible view across the landscape, and the perfect vantage point for recounting these final battles. Upon arrival at the Sheraton Paris-Charles de Gaulle Airport, the remainder of the evening is at your leisure.

Accommodations: Sheraton Paris Charles de Gaulle Airport (B, L)
