Candy Cane Coding

Directions:

1. Find the first letter of your first name in the Binary Code Chart.
2. Thread red and white beads onto a pipe cleaner to match the pattern of the squares next to your letter.
3. Next find the first letter of your last name on the Chart.
4. Thread red and white beads onto a pipe cleaner to match the pattern of the squares or bits next to your letter.
5. Continue until you have finished adding all of your beads.
6. Fold the end of the pipe cleaner to secure the beads in place.
7. Shape your pipe cleaner into a candy cane or J shape.
