PROGRAM ITINERARY

Day One: Arrive in Paris, tour Giverny, and settle in to Normandy

Enjoy a scenic transfer from Charles de Gaulle Airport (CDG) to Claude Monet's home and gardens at Giverny, immortalized in his impressionist art. Badly damaged during World War II, Giverny has been painstakingly restored to its former magnificence. After a tour of Giverny and lunch on your own in the area, continue to Bayeux and settle into the historic Hôtel d'Argouges. Spend the afternoon and evening exploring this storied medieval town center and enjoying dinner at one of the many quaint restaurants serving traditional fare.

Accommodations: Hôtel d'Argouges

Day Two: Mont Saint-Michel

After a morning at leisure, embark on a trip to a breathtaking tidal island just off the Normandy coast. The island's signature medieval abbey projects a dominating presence that made it both an ideal observation post for the Wehrmacht and a popular destination for German tourists during World War II. The visit includes lunch. Return to Bayeux this afternoon and attend a welcome dinner with main tour guests arriving today.

Accommodations: Hôtel d'Argouges (B, L)
