ROAD TO VICTORY COMMEMORATIVE BRICKS & PAVERS

In order to create lasting memories, you must first pave the way.

With a brick or limited-quantity paver at The National WWII Museum, you have a unique opportunity to create a lasting tribute to loved ones who served our country during World War II. Every engraving serves as a tangible legacy of those who secured Allied victory and symbolizes the foundation that victory laid for our freedom today. Your participation in this program supports the Museum's mission to tell the story of the American experience in the war that changed the world—why it was fought, how it was won, and what it means today.

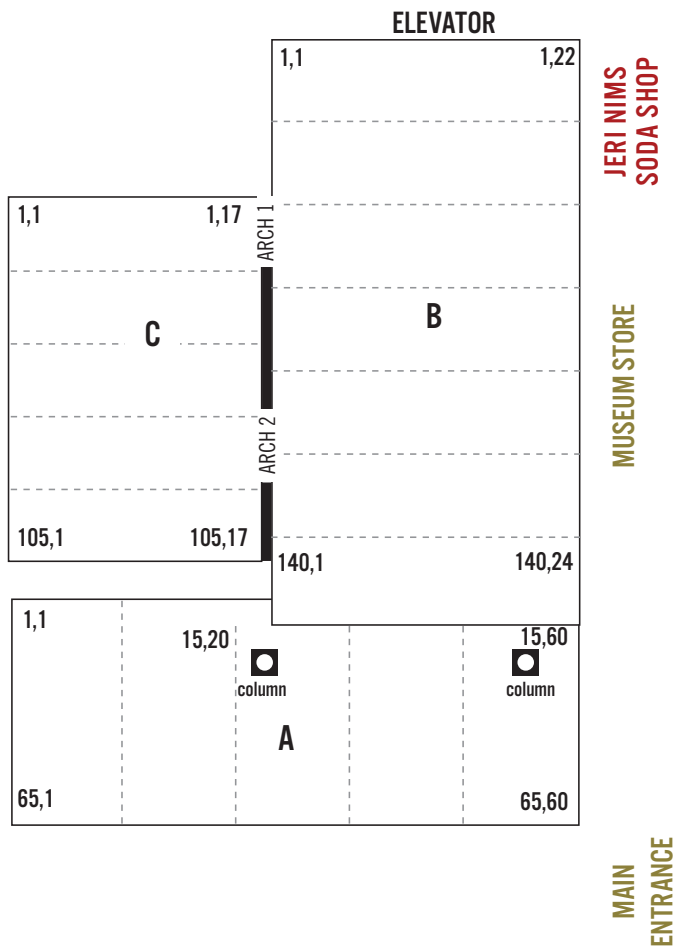

Since the campaign's launch, over seven million Museum visitors have seen the more than 53,000 classic red Victory bricks that line our campus—each an enduring, physical memory. As we embark on our Final Mile, we are now able to offer a limited opportunity to secure these tributes on larger format Victory pavers—in four different size options—to be installed in the heart of our campus on the Col. Battle Barksdale Parade Ground and Founders Plaza.

These grandfathers and grandmothers, fathers and mothers, sons and daughters, friends and neighbors overcame a once-in-a-generation challenge, and they deserve a memorial that will last for generations to come.

Classic Red Bricks and limited Pavers are still available for purchase. Honor your hero today by visiting www.honoryourhero.org for purchase details. Your participation supports the Museum's mission to tell the story of the American experience in the war that changed the world. There are only a limited amount in reserve, so order your Victory paver to secure a lasting memorial for your hero.
