Hand-Selected Châteaux

Four nights at a world-class château in the heart of Normandy

Your journey features an itinerary filled with WWII locations—from lesser-known sites available exclusively to The National WWII Museum’s travel programs to iconic landmarks steeped in heroism and history. Get closer to the beaches and hedgerows during four days of touring in Normandy. Guests are assigned to one of two châteaux, both elegant and with WWII histories.

Château la Chenevière is a five-star hotel renovated from an 18th-century mansion and farm. The château was occupied by the Germans during World War II and then the Americans after the D-Day landings.

Château D’Audrieu, a five-star hotel situated between Caen and Bayeux in Calvados, is ideally located in the heart of Normandy’s countryside. During World War II, the German army set up their headquarters here. On June 8, 1944, 45 members of the 3rd Canadian Infantry Division and two British soldiers were killed in the orchards, forests, and clearings around the château.
